

☆ Ages 3.5 to 7

Social & Emotional Development Davis Concepts for Life® - Early Years

This programme is perfect for children under 8, who struggle with focus, behavior, relationships, self-regulation, or meeting developmental milestones. Using clay and fun explorations, I will guide you and your child through essential life concepts to fill in gaps in understanding and enable them to thrive.

Autism Social & Emotional Development Davis® Stepping Stones

This programme is wonderful for children under 8, or individuals of all ages with limited (or no) language. Using clay and gentle real-world explorations, I will guide and support you and your child through the beginning steps of the transformational Davis Autism Approach® program.

☆ Ages 8 to Adult

Cognitive Coaching Social & Emotional Development Davis Concepts for life®

If you are feeling overwhelmed by daily struggles (heightened sensitivity, disorganisation, procrastination, anxiety, frustration, low self-esteem...), this transformational programme is for you. Discover and explore life concepts with me to gain clarity, tools, and motivation to take control of your life!

Autism Social & Emotional Development Davis Autism Approach®

Ron Davis created this life-changing developmental approach to give autistic individuals like himself the foundational skills needed to create change and participate fully in life. I will take you/your child on a gentle, respectful journey of self-discovery, self-actualisation and self-empowerment.
